

INTERGOVERNMENTAL AGREEMENT BETWEEN
THE CITY OF CHICAGO, BY AND THROUGH
ITS DEPARTMENT OF PLANNING AND DEVELOPMENT,
AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO
REGARDING AMUNDSEN HIGH SCHOOL

This Intergovernmental Agreement (this "Agreement") is effective as of the 6th day of February, 2015 (the "Effective Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 et seq.), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 5110 North Damen Avenue in Chicago, Illinois (the "Amundsen Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated a high school (the "Amundsen Facility") known as Amundsen High School on the Amundsen Property (the Amundsen Facility has those general features described in Exhibit 1 attached hereto and incorporated herein, and the rehabilitation of the Amundsen Facility shall be known as the "Amundsen Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on January 12, 2000, published at pages 22395 through 22522 of the Journal of Proceedings of the City Council (the "Journal") for said date, as amended by ordinances adopted by the City Council on May 17, 2000 (published at pages 31610 through 31705 of the Journal for said date): "Authorization for Approval of Tax Increment Redevelopment Plan for the Western Avenue North Redevelopment Project Area"; "Designation of Western Avenue North Redevelopment Project Area as a Tax Increment Financing District"; and "Adoption of Tax Increment Financing for the Western Avenue North Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Western Avenue North TIF Ordinances", the Redevelopment Plan approved by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Plan" and the redevelopment project area created by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Area"); and

WHEREAS, all of the Amundsen Property lies wholly within the boundaries of the Western Avenue North Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the

municipality by written agreement accepts and approves such costs (Increment collected from the Western Avenue North Redevelopment Area shall be known as the "Western Avenue North Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Western Avenue North Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Amundsen Project, within the boundaries of the Western Avenue North Area; and

WHEREAS, the City desires to use a portion of the Western Avenue North Increment (the "Amundsen City Funds") for the Amundsen Project; and

WHEREAS, the City agrees to use the Amundsen City Funds in an amount not to exceed \$500,000 to reimburse the Board for a portion of the costs of the Amundsen TIF-Funded Improvements (as defined in Article Three, Section 3 below) for the Amundsen Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Amundsen TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Amundsen Redevelopment Plan, and the City has found that the Amundsen TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Amundsen Facility that are necessary and directly result from the redevelopment project constituting the Amundsen Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Amundsen Project

The Board covenants, represents and warrants that the plans and specifications for the Amundsen Project at a minimum meet the general requirements for the Amundsen Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Amundsen Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Amundsen TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Amundsen TIF-Funded Improvements out of the Amundsen City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Amundsen City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Amundsen Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Amundsen Project is \$552,482. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Amundsen Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Amundsen City Funds to the Amundsen Project and that all costs of completing the Amundsen Project over the Amundsen City Funds shall be the sole responsibility of the Board.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Amundsen Project, to be paid for out of Amundsen City Funds ("Amundsen TIF-Funded Improvements"); and to the extent the Amundsen TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Amundsen TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Amundsen TIF-Funded Improvements are necessary and directly result from the Western Avenue North Redevelopment Plan. All Amundsen TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Western Avenue North Redevelopment Plan ; and (c) be improvements that the Commissioner has agreed to pay for out of Western Avenue North Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Amundsen Project.

6. For purposes of this Article Three, Section 6, the following terms shall have the meanings ascribed hereto:

"Award Amount" means: the amount of the actual, final award that the Board receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1).

"Base Amount" means: the amount calculated as 130% of \$114,914,131, as such amount is annually adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period.

"Excess Amount" means: the difference, if any, between the Award Amount and the Base Amount.

Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2024,

the Board shall annually notify the City of (i) the Award Amount; (ii) the Base Amount; and (iii) the Excess Amount, if any

To the extent the Excess Amount is a positive number, the Board shall provide the City with equivalent value (as determined in accordance with the next succeeding paragraph) to an amount that is equal to 50% of the Excess Amount.

After receipt by the City of the notice required under this Section 6 and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite equivalent value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Amundsen Property or any interest therein, or (b) the Amundsen Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Amundsen City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Amundsen Property or the Amundsen Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Amundsen Property or the Amundsen Facility in trust for the use of schools as may be permitted or required by law.

Article Four: Term

The Term of the Agreement shall commence effective as of the Effective Date and shall expire on the date on which the Western Avenue North Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Amundsen Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and

any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
